

COMING SPRING 2012!!!!
Make progress towards
your CCE while studying
in Ireland

Beginning Spring Semester 2012, the Department of Civil, Construction & Environmental Engineering is launching a unique exchange program with the University College Dublin College of Engineering, Mathematical and Physical Sciences.

- Enroll directly in courses at University College Dublin (UCD)
- Get credit for CCE courses
- Get credit for General Engineering courses
- Get credit for Natural Science & Mathematics Courses
- Get credit for HU/L/FA & HI/SB courses
- Tuition & fees are about the same out-of-state tuition at UA
- Existing scholarships and loans apply
