

Department of Electrical and Computer Engineering
Computer Engineering Program - Effective Fall 2025

Note 1: A maximum of 12 credit hours can be transferred for ECE 300/400-level courses.
Note 2: ECE 492 and ECE 494 must be taken on campus and are not eligible for transfer credit.
Note 3: 4xx-level lecture/lab combos must be taken as a pair (i.e. either both taken off campus at the same institution as a pair or both taken at UA as a pair).
Note 4: Credit hour substitutions for a course must come from a course within the same discipline (for example, a CS hour must be used to substitute for a missing CS hour). The course used as a substitution cannot be used for any other Computer Engineering program requirement. This is accomplished through a petition to the ECE department.
Note 5: ECE may plan to offer full-term Summer courses. These are not guaranteed and can be canceled up to the day before the Summer semester starts. Therefore, students should not rely on Summer course offerings when planning their Fall/Spring course loads.
