Nominator Name: _____ **Phone:** _____

Address: _____

Signature: _____ **Date:** _____

Note to the nominator: Because there are multiple persons considered each year and the number of Fellows selected each year is limited, it is recommended that nominations remain confidential (with respect to the person being nominated.) You will be notified of any action taken on your nomination and, if appropriate, your nomination will automatically be considered for future selections made by the committee. We appreciate your time and effort in helping us honor our distinguished alumni and friends through the Fellows Program.

1.) Provide a brief summary of how the nominee meets the Eligibility Criteria. _____

[illegible]

2.) Describe the degree and impact of the scientific, engineering, technological and/or personal contributions and achievements by the nominee. _____

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

3.) Provide a current vita/resume and any additional pertinent materials to support this nomination.
